

The Benefits of Preventive Dental

Envolve Dental partners with managed care organizations, health plans, and state governments to design and administer dental care programs to meet the needs of their members. Envolve Dental is experienced in administering Health Insurance Marketplace, Medicare, and Medicaid dental benefits. Our fully customizable solutions and expert industry experience offers our clients a competitive edge. We offer attractive benefit options and pricing schedules, no matter what your needs or budget might be. Envolve Dental’s innovative provider education and outreach programs, personal attention, and provider support creates a comprehensive dental care system that reduces administrative burdens for providers.

Advantages to Partnering with Envolve Dental:

- > Timely claim payments
- > Detailed provider education and orientation
- > Electronic transaction options
- > 99% of claims adjudicated within 15 calendar days
- > Interactive Provider WebPortal to ease administrative hassles

Why Participate With Envolve Dental

PARTNERSHIP APPROACH

As a participating provider with Envolve Dental, you can access substantial patient volume and are a valuable member of our excellent dental care delivery team.

SELECTIVE PARTICIPATION

Participating providers may choose to provide dental care services (to the full scope of their licensure) for select Envolve Dental administered plans. Providers also have the option to participate in future offerings; participation is never mandated.

PROVIDER WEB PORTAL FUNCTIONALITY

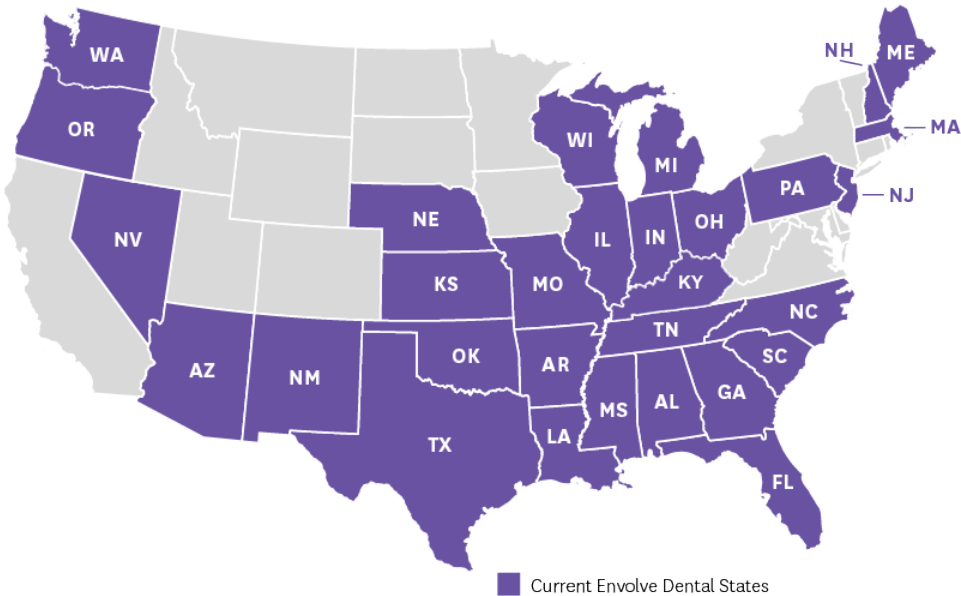

Envolve Dental offers an interactive web portal, free of charge, to participating providers to verify member eligibility, check patient treatment history, file claims, submit authorizations, and check status on authorizations and claims.

DECREASED ADMINISTRATIVE BURDENS

Envolve Dental performs the same tasks as a full-service health management organization (HMO), including but not limited to, provider data management, credentialing, claims adjudication, benefit configuration, utilization management, and grievances and appeals.
